Subscriptions for 2013-14 are now due

Important please read the following:

Full members are registered with the Federation of Victorian Walking Clubs (Bushwalking Victoria). They are covered by insurance against injury while walking with ORWTA on official Association walks.

We are now having a membership drive and are encouraging you to pass this form on to friends, family and associates who have an interest in bushwalking or would like to find out more about what ORWTA does.

Minutes of general meetings, walk programs, maps and updates of progress on the development of sections of the Trans Otway Waterfall Walk (TOWW) are available on our website: www.otwaywalks.com and blog <http://otwaywalks.blogspot.com.au>

For the TOWW to continue we rely on support and encouragement from new and existing members. We have a DVD about the TOWW available.

We are also selling the book "250 Victorian Waterfalls" by Ray Barber and Ian Wacey for \$50. Funds from the sale of our DVD and this book will assist our endeavours.

Thank you for your support.
